

BRAND

01 BRAND VALUE

02 LOGO

Aggarwal Traders, established in 1966, is a leading trading and distribution company based in Jammu, specializing in building materials. Over the years, we have grown to become one of the most trusted and premier suppliers in the region.

LOGO TYPE

01 BRAND GOAL

Choosing a minimal and professional logo helps create a strong, lasting impression while keeping the design clean and versatile. A minimal logo focuses on simplicity and clarity, making it easy to recognize and remember.

LOGO USAGE

DO'S AND DON'T

The logo is designed to maintain a modern and professional appearance, adaptable for various backgrounds and uses. It can be presented in its original color with a subtle blue effect for depth, or in solid white for a sleek, minimalistic look. This

visually appealing and recognizable across both digital and print platforms, reflecting the brand's commitment to professionalism and quality

BRAND COLOR

The brand's color palette of blue, white, and black represents strength, reliability, and precision — qualities that align perfectly with the building materials industry. Blue conveys trust and stability, reflecting the brand's commitment to durable and dependable products.

FONT USAGE

We use a custom font selected for readability and elegance. This typography helps to reinforce our brand identity and should be used in all communications.
